

## The Ohio Partnership for Excellence in Paraprofessional Preparation (OPEPP) is currently enrolling new partnering districts for the 2023-24 school year

- ✓ Is your district committed to **collaborative inclusive practices** to support all learners?
- ✓ Is your district interested in **resources and supports** for **paraprofessionals and teams**?
- ✓ Is your district ready to be **intentional and strategic** about creating environments and teams that support and prepare committed paraprofessionals?

Register for one of the upcoming info sessions the first Thursday of the month February-May from 12-12:30 PM  
You will learn more about OPEPP's commitment to excellence in paraprofessional preparation.  
Zoom link will be sent upon registration.

### OPEPP is committed to:

- Supporting district teams to consider the roles and responsibilities of paraeducators
- Improving districts through systemwide inclusive practices
- Improving outcomes for all learners through effective collaboration and instruction
- Helping districts create specific action steps they will take to achieve goals around support for paraprofessionals

### The deadline for registration for next year's OPEPP Partnership Cohort is

Thursday June 1, 2023.
