1.

Who will lead the team next year?
Who will the team members be going forward?
When and where will they meet?

2.

Next steps and plan of action for next year?
How will you record and acknowledge team accomplishments?
How will the team become a "household" name or known resource in the district or region in your system?

3.

What is the plan going forward for continued surveying?
How will you onboard the team members each year?
How will you make sure you have representation from all over the school including general educators?

4.

How will you ensure you spend the honorarium each year and make a plan to fund this work through your own budget?
What is left undone?
